Wayne Metropolitan Community Action Agency's Ecorse Office Moves To Wyandotte CREATES HEADQUARTERS

It's official! Wayne Metro's Main Service Office in Ecorse has moved down West Jefferson to Biddle in Wyandotte. The Main Service Office is now located above Wayne Metro's Corporate Office at 2121 Biddle.

Even with a fairly large snowstorm occurring, the move was successfully completed January 13-14. Staff quickly set-up and organized the new space and doors were re-opened for service on January 15th.

"We are very excited about this move. It gives our staff and clients the space and resources needed for programs to thrive, as well as provides a centrally located office in the down-river area" said Wayne Metro COO, Jennifer Lepard.

The new office offers a bright atmosphere and includes 4 small meeting rooms for one-on-one client meetings, a computer lab with 15 computers, and a large meeting room for classes. The new office also offers ample parking for all staff and visitors, a great improvement from the Ecorse office and well received by everyone.

To celebrate the new space, Wayne Metro held an Open House on Thursday, February 5, 2009 from 3-7 pm. Hundreds of community partners, residents, clients and staff visited the building and received tours of the new space.

Wayne Metro has 16 offices throughout Wayne County, making programs and services accessible to everyone in Out-Wayne County.
